Our Vision

To be a catalyst for digital transformation by empowering businesses through innovative software solutions, creative design and measurable marketing.

Our Mission

Develop software that solves real problems with precision, design intuitive digital experiences that elevate brand identity, and deliver work a client can measure.

WHAT WE DO

Core Services

Software Development

Custom web and mobile applications, full-stack builds and scalable enterprise systems.

Branding & Design

Logo design, visual identity, UI/UX and creative brand strategy end to end.

Digital Marketing

Search, social and growth marketing campaigns measured against real business metrics.

Strategy & Research

Business strategy, market and user research that decides where the effort goes.

One Team, Across Every Discipline

Strategy, design, engineering and marketing sit in the same team, so a brief does not change hands between agencies. Head office in Coimbatore, branch office in Chennai.

STRATEGIC ALLIANCES

Our Partners

Qaroo India works with a network of corporates, institutions and social enterprises. That network sits behind every engagement we take on, including the work proposed in this document.

Infosys Foundation

Supports underprivileged communities across India through initiatives in education, healthcare, rural development, arts and destitute care.

EduBridge

India's leading workforce development platform that helps learners build careers through training and career services with top corporates.

Atos Prayas Foundation

The CSR arm of Atos, offering education, vocational training and skill development programs for underprivileged communities.

AISECT

India's leading social enterprise driving inclusive growth in rural and semi-urban areas through skill development, education and ICT-based services.

Canara Bank

An Indian public sector bank based in Bengaluru, established in 1906. Also has offices in London, Dubai and New York.

SNS College of Engineering

An AICTE-approved multidisciplinary institution in Coimbatore, redefining intellectual and creative boundaries since 2007.

Nayago Educational Trust

A volunteer-based NGO founded in 2017 to create youth awareness on global opportunities and develop intra- and interpersonal skills.

Narayana Engineering College Nellore

A premier self-financing institution in Andhra Pradesh with state-of-the-art facilities fostering academic excellence since 1998.

"Lifetime Achiever" — World Women's Association, 2024

Awarded to Mrs. Suganya Priya Gobinath, Director, Qaroo India Private Limited.

THE PROPOSAL

Graphic Design & Branding

Good branding makes your business recognizable and consistent across every touchpoint. We design identity systems and marketing collateral that hold together whether they appear on a screen, a product label or a billboard.

We begin by understanding your positioning and audience, then craft a visual identity – logo, colour, typography and guidelines – that communicates who you are.

Every asset we produce is designed to be practical and consistent, so your brand looks intentional wherever it appears.

DELIVERY APPROACH

How We Run It

The Graphic Design & Branding engagement runs in 3 stages. Each one has a defined output, so you always know what has been done and what comes next.

01

Understand

Stage 1 of 3

- Clarify Positioning and Audience
- Review Current Brand and Competitors
- Define the Creative Direction

02

Design

Stage 2 of 3

- Explore Logo and Identity Concepts
- Refine Based on Feedback
- Build Colour, Type and Guidelines

03

Deliver

Stage 3 of 3

- Produce a Full Asset Set
- Prepare Print and Digital Files
- Document Brand Usage

One Team, One Point Of Contact

Strategy, design and delivery sit together, so nothing is handed between agencies mid-project and there is one person accountable for the outcome.

OUTCOMES

What You End Up With

The measurable result of the engagement, and the capabilities built into what we hand over.

Business Outcomes

- A Recognizable, Consistent Brand

QUESTIONS

Frequently Asked

What do you need to start a branding project?

We start with your business goals, target audience and any existing materials. From there we define a creative direction before designing logos and identity systems.

Do you provide files for print and digital?

Yes. We deliver the right formats for both – including print-ready files and web-optimised assets for social and digital use.

Can you create brand guidelines for my team?

Yes. We document logo usage, colour, typography and examples so your team can keep the brand consistent after the project ends.

FINAL PROPOSAL MESSAGE

Let’s Build This Together

Qaroo India Private Limited looks forward to delivering this Graphic Design & Branding engagement for your organisation. Tell us where you are today and what you need the work to achieve, and we will come back with a scope, a timeline and a quotation built around it.

Every engagement starts with a scoping call, answered by a real person — so the work is shaped around your business from day one.
