ABOUT THE COMPANY

Who We Are

Qaroo India Private Limited is a full-service company working across software development, branding and digital marketing. We build tailored solutions that fit a client's standards and vision, combining current technology with strategic creativity to develop, promote and elevate brands across India and beyond.

Our Vision

To be a catalyst for digital transformation by empowering businesses through innovative software solutions, creative design and measurable marketing.

Our Mission

Develop software that solves real problems with precision, design intuitive digital experiences that elevate brand identity, and deliver work a client can measure.

WHAT WE DO

Core Services

Software Development

Custom web and mobile applications, full-stack builds and scalable enterprise systems.

Branding & Design

Logo design, visual identity, UI/UX and creative brand strategy end to end.

Digital Marketing

Search, social and growth marketing campaigns measured against real business metrics.

Strategy & Research

Business strategy, market and user research that decides where the effort goes.

One Team, Across Every Discipline

Strategy, design, engineering and marketing sit in the same team, so a brief does not change hands between agencies. Head office in Coimbatore, branch office in Chennai.

STRATEGIC ALLIANCES

Our Partners

Qaroo India works with a network of corporates, institutions and social enterprises. That network sits behind every engagement we take on, including the solutions described in this document.

Infosys Foundation

Supports underprivileged communities across India through initiatives in education, healthcare, rural development, arts and destitute care.

EduBridge

India's leading workforce development platform that helps learners build careers through training and career services with top corporates.

Atos Prayas Foundation

The CSR arm of Atos, offering education, vocational training and skill development programs for underprivileged communities.

AISECT

India's leading social enterprise driving inclusive growth in rural and semi-urban areas through skill development, education and ICT-based services.

Canara Bank

An Indian public sector bank based in Bengaluru, established in 1906. Also has offices in London, Dubai and New York.

SNS College of Engineering

An AICTE-approved multidisciplinary institution in Coimbatore, redefining intellectual and creative boundaries since 2007.

Nayago Educational Trust

A volunteer-based NGO founded in 2017 to create youth awareness on global opportunities and develop intra- and interpersonal skills.

Narayana Engineering College Nellore

A premier self-financing institution in Andhra Pradesh with state-of-the-art facilities fostering academic excellence since 1998.

"Lifetime Achiever" — World Women's Association, 2024

Awarded to Mrs. Suganya Priya Gobinath, Director, Qaroo India Private Limited.

WHAT WE DO

Eight Business Solutions

Each solution stands on its own and each is detailed in its own proposal. Together they cover the route from deciding what to build, through building it, to putting it in front of the right people.
